

Assumption of Risk Agreement

Outdoor & Non-Facility Training · Required for Parks / Home Sessions

I freely, knowingly, and voluntarily assume all risk of injury, illness, death, or property damage arising from participation in outdoor and non-facility training with Green Eye Open. This agreement is specific to training sessions conducted outside of traditional gym facilities — including city parks, trails, and private residences. It supplements (and does not replace) the Liability Waiver (GEO-01) permitted under Wisconsin law. I acknowledge that I had the opportunity to ask questions about these risks before signing this document.
